

THE MISSION INN HOTEL & SPA

Framed by its breathtaking Spanish Mission-style architecture, The Mission Inn Hotel & Spa welcomes guests to a destination where rich history and classic elegance exist in perfect balance with contemporary luxury and comfort.

Occupying an entire city block in downtown Riverside, California — just moments from the Riverside Convention Center — this iconic, AAA Four-Diamond hotel has remained faithful to the grand style and ambiance enjoyed by its very first guests in 1876. It is a place where magnificent vistas harbor countless intimate hidden treasures. And it's an oasis where the outside world is left behind to set a vivid stage for memories that will last a lifetime.

As a National Historic Landmark and member of the prestigious Historic Hotels of America, The Mission Inn Hotel & Spa evokes the romance and enchantment of a European castle with a design conceived by some of California's most famous architects. Yet following more than a century of meticulous restorations and enhancements, one of the country's most historic hotels now stands among its most up-to-date buildings.

The Inn features 238 spacious rooms, including 27 generously proportioned suites and 20,000 square feet of flexible function space that can accommodate everything from small breakfast meetings, banquets and executive board sessions to company-wide conventions and sales conferences.

The hotel also features four award-winning restaurants: Duane's Prime Steaks and Seafood, a AAA Four Diamond restaurant since 1996; Las Campanas Mexican Cuisine & Cantina, authentic gourmet Mexican cuisine; Bella Trattoria Italian Bistro; and The Mission Inn Restaurant and Spanish Patio. In addition, the hotel has an award-winning luxurious, Tuscan-inspired spa – Kelly's Spa, a swimming pool, Jacuzzi, museum, and access to championship golf, shopping and other recreational activities nearby.
